New programs Announced at NPTI - HPTC, Nangal

Date: 28/11/2019 to 31/03/2020

Venue: Npti, Nangal

Institute:

- Nangal

New programs Announced at NPTI - HPTC, Nangal

[3 - Days Training Program on Transformer Monitoring and Sub Station Protection from 06-08 January, 2020 at NPTI, Nangal.](#)

[3 - Days Training Program on Sub-station Protection and Relay coordination from 20-22 January, 2020 at NPTI, Nangal.](#)

[3 - Days Training Program on Smart Energy Management System from 24-26 February, 2020 at NPTI, Nangal](#)

[3 - Days Training Program on Renewal Energy Grid Integration and Operational Challenges from 03-05 February, 2020 at NPTI, Nangal](#)

[3 - Days Training Program on Power Quality, Harmonics Mitigation and Reactive Power Management from 12-14 December, 2019 at NPTI, Nangal.](#)

[3 - Days Training Program on Operational Strategies for Distribution system with New Regulations from 23-25 March, 2020 at NPTI, Nangal.](#)

[3 - Days Training Program on Micro Grid Architecture Development for Remote Areas from 27-29 February, 2020 at NPTI, Nangal.](#)

[3 - Days Training Program on Intelligent Solar Power Invertors for Distribution System Management from 09-11 January, 2020 at NPTI, Nangal.](#)

[3 - Days Training Program on Intelligent Load Management System from 03-05 February, 2020 at NPTI, Nangal.](#)

[3 - Days Training Program on Integrated Management for Power Sector from 19-21 December, 2019 at NPTI, Nangal.](#)

[3 - Days Training Program on Hybrid Renewable Energy System Planning from 28-30 November, 2019 at NPTI, Nangal.](#)

[3 - Days Training Program on Evaluation of Hydro Power Station Capacity with Floating Solar Power Radiation from 18-20 March, 2020 at NPTI, Nangal.](#)

[2 - Days Training Program on E-Mobility Charging Infrastructure and Road Map for Distribution Utility from 27-28 March, 2020 at NPTI, Nangal.](#)

[3 - Days Training Program on Distribution Network Planning for Urban Renewable Energy Penetration from 16-18 March, 2020 at NPTI, Nangal.](#)

[3 - Days Training Program on Digital Conditioning and Monitoring of Turbine and Shaft from 13-15 January, 2020 at NPTI, Nangal.](#)

[3 - Days Training Program on Detection of Hot Spot of PV Modules with Advance Technologies from 09-11 December, 2019 at NPTI, Nangal.](#)

[3 - Days Training Program on Data Analytics Management of Smart City from 02-04 December, 2019 at NPTI, Nangal.](#)

[3 - Days Training Program on Boiler Safety and Related Monitoring from 17-19 February, 2020 at NPTI, Nangal](#)

[3 - Days Training Program on Asset Management and Smart control from 23-25 January, 2020 at NPTI, Nangal.](#)

[3 - Days Training Program on Advance Monitoring of all Auxiliaries of Thermal Power Plant from 02-04 March, 2020 at NPTI, Nangal.](#)
