

A high-level meeting was organized jointly by NPTI & ISA (International Society of Automation) District 14 in connection with the role of NPTI as a global center in the field of Power Grid Cyber Security on 01.10.2021. The meeting was hosted by Dr. Tripta Thakur, Director General, NPTI, and moderated by Mr. Rajesh Rathi, Global Executive Board Member, ISA. Participants included Mr. MAKP Singh, CE (IT), CEA, Dr. Sandeep Kumar Shukla, Professor, IITK, Mr. Anand Shankar, Sr. GM, PGCIL, Mr Somnath Kundu, DGM, NTPC & NPTI Officials. Critical issues regarding Cyber Security Training & Certification for ISA/IEC 62443 by NPTI for Indian power professionals were discussed at the meeting. Concrete steps will soon be taken to implement the steps.
