Subject: Circulation of Training Calendar for Power System Operators - FY 2026-27

Sir/Madam,

National Power Training Institute, being the designated institute for capacity building and certification of power system professionals, is pleased to circulate the Training Calendar for Power System Operators for the Financial Year 2026-27 for your kind information and necessary action.

The enclosed calendar provides a comprehensive schedule of Basic, Specialist, and Refresher training programs, including certification-oriented courses. The programs will be conducted across various NPTI institutes, including Faridabad, Bengaluru, Nagpur, Guwahati, Neyveli, Durgapur, and Alappuzha.

You are requested to nominate suitable officers from your organization for the relevant programs. Nominations may be sent to the concerned NPTI institute coordinators well in advance, preferably at least 10 days prior to the commencement of the program, to facilitate smooth planning and logistics.

These programs are designed to enhance operational excellence and ensure a highly skilled workforce for secure and reliable grid operation. Your active participation and support in deputing officers will contribute significantly toward this objective.

The detailed program structure, fee details, and contact information of coordinators are enclosed in the training calendar document.

We look forward to receiving your nominations.

With regards,

Yours faithfully,

(Dr. Indu Maheshwari)
Principal Director (Trg)

Note: Nominations for Basic/ Specialist Level Certification Exams 2026-27 may please be sent to PSTI Bengaluru well in advance.

Terms and Conditions:

1. Only the training fee for the system operators from SLDCs would be borne by GRID-INDIA. However, the lodging and boarding charges will be borne by respective SLDCs.
2. The boarding and lodging expenses along with training fee will be borne by GRID-INDIA for the following SLDCs (North Eastern Region and Emerging SLDCs). However, no TA/DA will be given either by NPTI or Grid-India.
Assam, Arunachal Pradesh, Manipur, Meghalaya, Mizoram, Nagaland, Tripura, DNH & DD, Goa, Chandigarh, Puducherry, Sikkim, Andaman and Nicobar, Lakshadweep.
3. In order to address the problem of insufficient manpower at LDCs, NPTI will conduct the training programs in Hybrid mode. The Basic Level training program will be conducted as 1st week online

and 2nd & 3rd week offline. Similarly, the Specialised Level training program will be conducted as 1st week online and 2nd week offline.

4. Given that most LDCs operate with understaffed teams, the LDCs are hereby requested to retain the certified operators for atleast minimum period of FIVE (05) years.
5. Participants nominated by their respective LDCs for the first-week online module are also required to attend the subsequent classroom (offline) sessions. Reimbursement of the training fee by GRID-INDIA to NPTI will be subject to the completion of the entire training program i.e both online and offline components. Participants will be considered to have successfully completed the training only upon full attendance and participation in both modules (online and offline).
6. The respective LDCs and NPTI are responsible for ensuring the active participation of all nominated officials during the online phase of the training as well by consistently monitoring and taking regular attendance. Attendance in both the online and subsequent offline classroom sessions is mandatory for completion of the training program.

Grid-India will only pay for the candidates who have completed the full training program. No absenteeism will be entertained during the training programs. However, absenteeism due to unavoidable circumstances during the training period, the concerned LDC(s) and NPTI will be required to provide a justification while submitting the bill, subject to fulfillment of 85% attendance. In any case, Grid-India will not pay for the program fee where attendance is less than 85%.

In such cases where the attendance of any participant is less than 85%, the concerned LDC shall pay to NPTI the training fee and all other expenditures, including lodging and boarding. Further, if any participant attends the online course but subsequently fails to join the offline program, the concerned LDC shall also pay to NPTI the training fee and any other applicable expenditure.

NPTI shall diligently track attendance and share comprehensive attendance reports for both online and offline sessions with the Heads of the respective SLDCs and GRID-INDIA. For online courses, as it is not possible to obtain participants' signatures for attendance, the NPTI Coordinator shall mark attendance (present/absent) during the forenoon and afternoon online sessions. The final attendance, duly verified by NPTI, will be submitted to respective SLDCs and GRID-INDIA

Thanking you.

Yours faithfully,

(Dr Indu Maheshwari)
