

GOVERNMENT OF INDIA
MINISTRY OF POWER

Project Management of Renewable Energy System

23rd May, 2025

About National Power Training Institute

National Power Training Institute (NPTI) an ISO 9001 & 14001 organization is a National Apex body under the Ministry of Power, Govt. of India for fulfilling the training and Human Resource Development requirements of the power sector in the country. NPTI was formed by Gazette notification of Govt. of India dated: 3rd July, 1993. It serves as a National Certification Authority for the purpose of Certification of competence to ensure availability of properly trained professionals.

NPTI has Pan India presence with Eleven (11) Institutes in the different zones of the country with Manpower Strength of 134 including 76 Officers and has trained over 4,94,000 power professionals in its regular programs over the past more than five decades.

About the program

This One-Day Program will give thrust on Project Management aspects of Renewable Energy System including PM Surya Ghar Muft Bijli Yojna. The Program will cover challenges of solar power projects, financial flow management of solar projects, efficient project management and project management governance, etc.
