Decarbonising Power: Strategies for Net Zero vision 2047

A Two-Day National Workshop on
Climate Action, Energy Policy and Carbon Markets

15th - 16th September, 2025 | Kochi, Kerala

Venue: Radisson Blu Hotel, Sahodaran Ayyappan Rd, Kochi Kerala 682020

About NPTI

National Power Training Institute (NPTI), under the Ministry of Power, Govt. of India, is the apex national body for training and HRD in the power and energy sector. With 11 institutes across India and over 60 years of expertise, it offers industry-specific programs through modern facilities and skilled faculty. NPTI Alappuzha, established in 2020 in Kerala's scenic backwaters, provides advanced hands-on training to meet evolving industry challenges.

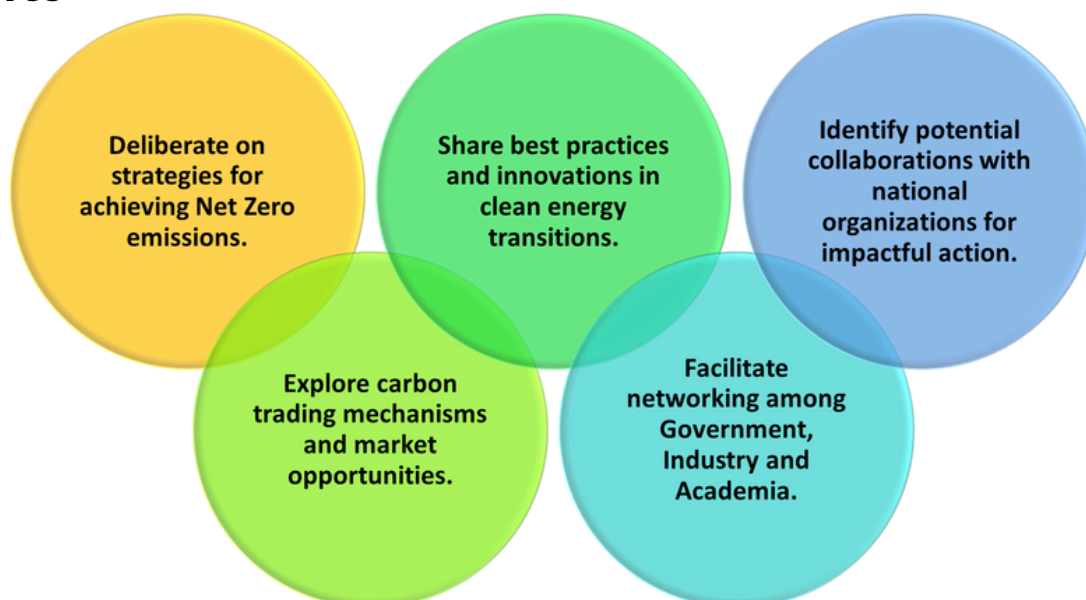

About NEED Mission

The National Environment & Energy Development (NEED) Mission by Vijnana Bharati drives India's shift to a sustainable, low-carbon future by promoting renewable energy, efficiency, ecosystem protection, and climate-smart agriculture. It brings together stakeholders to advance policy, innovation, skills, and technology for balanced growth and environmental care.

About the Workshop

India is advancing towards Net Zero through initiatives like the National Green Hydrogen Mission, Renewable Energy Expansion, Energy Efficiency Programs, and a domestic carbon market. This national workshop unites leaders, policymakers, and experts to discuss the shift from diverse energy resources to net-zero emissions. It promotes clean energy, efficiency, and carbon trading to drive sustainable, low-carbon growth.
