About eMBA - Energy Management

The IIM Nagpur & NPTI Executive MBA in Energy Management (eMBA - EM) is a two-year post graduate programme, with added flexibility of completion in three years, offered in a blended mode with online and on-campus modules.

This eMBA programme, designed for **mid-senior-level professionals**, is primarily delivered in an online synchronous mode, suitably complemented through distinct on-campus modules. The blended learning design facilitates participants who prefer to strike a balance between a professional career and academic learning. While the programme is primarily delivered online, it retains the core strength of case-based pedagogy followed by IIM Nagpur.

Pedagogy

The programme features Harvard-style case-based pedagogy, classical lectures and tutorials, simulations fostering critical thinking through real-world scenarios. Participants benefit from experiential peer learning, the unbeatable joy of learning from physical books, and a live industry-aligned capstone project that bridges theory with practical application.

Structure

The programme spans 2 years (8 terms) with the flexibility to complete it within 3 years. It includes 810+ hours of live online sessions, 80 hours of campus modules, and four immersive on-campus experiences and the added convenience of recorded sessions for flexible learning.

Features of eMBA - EM

Financing Options

The selected candidates will receive provisional admission offers by email. Candidates need to pay Rs 50,000/- at the time of offer acceptance within a stipulated time as mentioned in the offer letter. This amount will be adjusted in the Term 1 & Term 2 fee. The verification of documents will be done prior to the provisional offer. It is the responsibility of the candidates to check the eligibility criteria before applying. If a candidate is found ineligible at any stage during the document check, the admission offer will be cancelled.

Before Term 1 Registration:

- Once the offer acceptance fee (Rs 50,000/-) is received by the stipulated date (mentioned in the offer email), the provisional admission will be considered as confirmed. If payment is not received by the stipulated date, the provisional admission will be cancelled.
- If a candidate pays the offer acceptance fees but still wants to withdraw, he/she may do so by sending an email to the Admission Office and by applying on portal by a stipulated date (offer acceptance fee withdrawal deadline mentioned in the offer letter/mail). We will then initiate a refund process. The refund of the offer acceptance fees deposited after deducting an administrative charge of Rs.1,000/-.
- If a candidate pays the offer acceptance fees but fails to withdraw within a stipulated date (offer acceptance fee withdrawal deadline mentioned in the offer letter/mail) or fails to register for the programme, the entire amount of the offer acceptance fees paid will be forfeited. No refund will be made in case of withdrawal after the offer acceptance fee withdrawal deadline.
- The admission will stand cancelled if a candidate does not register at IIM Nagpur on the mentioned date and time for the registration.
- Candidates have to pay the remaining amount of the Term 1 & Term 2 fee before the registration. The deadline for the same will be communicated to candidates who have accepted the offer. If the Term 1 & Term 2 fee payment is not received by the stipulated date (Term 1 & Term 2 fee payment deadline), the provisional admission will be cancelled.

- If a candidate has paid the remaining amount of the Term 1 & Term 2 fee and wants to withdraw from the programme before the offer acceptance fee withdrawal deadline, the amount (offer acceptance and the Term 1 & Term 2 fee) will be refunded after deducting the administrative charge of Rs 1,000/-.
- If the candidate paid the Term 1 & Term 2 fees and wanted to withdraw before the Term 1 & Term 2 fee deadline, then both offer acceptance fee (50000/-) and Term 1 & Term 2 fee will be refunded after deducting administrative charges of Rs. 1000/-.
- If a candidate failed to pay Term 1 & Term 2 fees within stipulated deadline after accepting the offer (including payment of Rs. 50000/-), then offer stands cancelled.
- If a candidate has paid the remaining Term 1 & Term 2 fee and wants to withdraw from the programme after the Term 1 & Term 2 registration date, NO amount will be refunded.
